

Upgrade and instantly save

Purchasing energy-efficient equipment just got easier and quicker

AES Indiana now offers instant discounts on ENERGY STAR® certified commercial food service equipment. When purchasing a qualifying product through a participating distributor, the discount will be applied at checkout. That's it. No paperwork, no hassle.

Available discounts

Instant discounts are available to AES Indiana commercial and industrial customers for the following product categories. See reverse side for a full list of product requirements and incentives.

- Combination or Convection Ovens – up to \$1,750/unit
- Dishwashers – up to \$1,300/unit
- Fryers – \$250/unit
- Griddles – \$1,250/unit
- Ice Machines – up to \$785/unit
- Refrigerators & Freezers – up to \$600/unit
- Steam Cookers – up to \$1,875/unit

Benefits for you

- Instant savings on ENERGY STAR® certified products
- Lower energy and maintenance costs
- Longer-lasting equipment

Eligible appliances

Qualifying customers can enjoy an instant discounts on the following products through AES Indiana's Midstream Appliance program.

Product Type	Product Requirements	Incentive Amount*
Combination Oven	ENERGY STAR® Commercial Ovens Electric Fuel, Cooking Energy Efficiency ≥60%	\$1,750/unit
Convection Oven	ENERGY STAR® Commercial Ovens Electric Fuel, Cooking Energy Efficiency ≥70%	\$700/unit
Dishwasher – Single tank door, high temp	ENERGY STAR® Commercial Dishwashers, Electric water heater with electric booster, Idle Energy Rate kW ≤0.7, Water Use (gallons/rack) ≤0.89	\$850/unit
Dishwasher – Multi-tank conveyor, high temp	ENERGY STAR® Commercial Dishwashers, Electric water heater with electric booster, Idle Energy Rate kW ≤2.25, Water Use (gallons/rack) ≤0.54	\$1,300/unit
Dishwasher – Single tank conveyor, high temp	ENERGY STAR® Commercial Dishwashers, Electric water heater with electric booster, Idle Energy Rate kW ≤1.5, Water Use (gallons/rack) ≤0.7	\$800/unit
Dishwasher – Undercounter, high temp	ENERGY STAR® Commercial Dishwashers, Electric water heater with electric booster, Idle Energy Rate ≤0.5, Water Use (gallons/rack) ≤0.86	\$300/unit
Dishwasher – Single tank door, low temp	ENERGY STAR® Commercial Dishwashers, Electric water heater, Idle Energy Rate kW ≤0.6, Water Use (gallons/rack) ≤1.18	\$875/unit
Dishwasher – Multi-tank conveyor, low temp	ENERGY STAR® Commercial Dishwashers, Electric water heater, Idle Energy Rate kW ≤2, Water Use (gallons/rack) ≤0.54	\$800/unit
Dishwasher – Single tank conveyor, low temp	ENERGY STAR® Commercial Dishwashers, Electric water heater, Idle Energy Rate kW ≤1.5, Water Use (gallons/rack) ≤0.79	\$800/unit
Dishwasher – Undercounter, low temp	ENERGY SOTAR® Commercial Dishwashers, Electric water heater, Idle Energy Rate kW ≤0.5, Water Use (gallons/rack) ≤1.19	\$250/unit
Freezer Glass Door under 15 cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$175/unit
Freezer Glass Door 15 to less than 30 cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$225/unit
Freezer Glass Door 30 to less than 50 cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$425/unit
Freezer Glass Door 50+ cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$600/unit
Freezer Solid Door under 15 cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$50/unit
Freezer Solid Door 15 to less than 30 cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$95/unit
Freezer Solid Door 30 to less than 50 cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$180/unit
Freezer Solid Door 50+ cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$250/unit
Fryer	ENERGY STAR® Commercial Fryers, Electric Fuel, Cooking Energy Efficiency ≥83%	\$250/unit
Griddle	ENERGY STAR® Commercial Griddles, Electric Fuel, Cooking Energy Efficiency ≥70%	\$1,250/unit
Ice Machine under 500 lbs. ice/day	ENERGY STAR® Commercial Ice Machines	\$250/unit
Ice Machine 500–1,000 lbs. ice/day	ENERGY STAR® Commercial Ice Machines	\$400/unit
Ice Machine over 1,000 lbs. ice/day	ENERGY STAR® Commercial Ice Machines	\$785/unit
Refrigerator Glass Door under 15 cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$90/unit
Refrigerator Glass Door 15 to less than 30 cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$140/unit
Refrigerator Glass Door 30 to less than 50 cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$125/unit
Refrigerator Glass Door 50+ cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$190/unit
Refrigerator Solid Door under 15 cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$40/unit
Refrigerator Solid Door 15 to less than 30 cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$40/unit
Refrigerator Solid Door 30 to less than 50 cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$90/unit
Refrigerator Solid Door 50+ cu. ft.	ENERGY STAR® Commercial Refrigerators and Freezers	\$100/unit
Steam Cooker 3 pan	ENERGY STAR® Commercial Steam Cookers, Electric Fuel, Cooking Energy Efficiency ≥50%	\$1,050/unit
Steam Cooker 4 pan	ENERGY STAR® Commercial Steam Cookers, Electric Fuel, Cooking Energy Efficiency ≥50%	\$1,325/unit
Steam Cooker 5 pan	ENERGY STAR® Commercial Steam Cookers, Electric Fuel, Cooking Energy Efficiency ≥50%	\$1,600/unit
Steam Cooker 6 pan	ENERGY STAR® Commercial Steam Cookers, Electric Fuel, Cooking Energy Efficiency ≥50%	\$1,875/unit

*Incentive amount must be credited to the end-use customer on their invoice from the partner.

Eligible appliances must be installed within 90 days of delivery.
