

For your businesses

Lodging energy efficiency solutions

Energy-efficiency and no-cost upgrades

AES Indiana's Small Business Direct Install program helps lodging businesses like yours save energy and reduce costs with complimentary energy-saving upgrades, generous rebates and expert recommendations on how to save even more.

It all starts with a free on-site energy assessment from our professional staff. The assessment lasts one to two hours and can help you [save an average of \\$3,845* per year](#) on energy costs. We're happy to work around your busy schedule, so make an appointment today and we'll help you find the perfect solution for energy-saving success.

Getting started is easy

Call [317-829-9154](tel:317-829-9154) or email smallbusinessinstalls@aesindianarebates.com to schedule your free assessment today, or discover more at aesindiana.com/sbdi.

Eligibility

Active AES Indiana business customers with a rate code of ISS or ISL and a peak demand of less than 200 kW may be eligible. Customers may participate only once every three years at each site.

The AES Indiana Small Business Direct Install program is administered on a first-come, first-served basis. Availability of specific energy-saving measures may vary.

*Energy savings calculated at estimated utility rate of \$0.09/kWh.

**Available for systems with electric hot water heaters.

Complimentary items may include:

- Weather stripping
- LED replacement tubes
- Faucet aerators**
- Occupancy sensors
- LED exit signs
- Water heater pipe insulation
- High-performance showerheads

Benefits of an on-site assessment:

- Save an average of \$3,845 a year*
- Customer recognition for commitment to energy efficiency
- Improved light levels, uniformity and quality
- Reduced maintenance
- Improved worker productivity
- Reduced hot water usage
- Boost guest comfort
