Indianapolis Power & Light Company Messages**

**NOTIFICATION OF EXTENDED TRANSMISSION LINE OUTAGES**

This notice is to advise interested parties that over the next 4 months there will be extended outages occurring on two of IPL's 345 kV transmission lines. These outages will impact IPL's Petersburg – Thompson 345 kV line and IPL's Petersburg – Hanna 345 kV line. The work on these lines is to accommodate construction of the new I-69 interstate between Evansville and Indianapolis. The Petersburg – Thompson 345 kV line will be out of service between March 1, 2011 and April 30, 2011. The Petersburg – Hanna 345 kV line will be out of service between May 2, 2011 and June 3, 2011.

Upon completion of this construction work IPL will post a notice that the lines have been returned to service.
