## Keeping you informed

As part of IPL's Regulatory Rate Review approved by the Indiana Utility Regulatory Commission, an additional line item - the customer charge - now appears under the summary charges section of your bill. While the customer charge is now separately displayed on your bill, **it is not a new charge.**

IPL values you as a customer and makes every effort to keep you informed of changes. For more information about the customer charge and your electric bill, please visit [IPLpower.com/mybill](http://IPLpower.com/mybill).
