

Ways to Save

Prescriptive Projects

If your business isn't using the most energy-efficient equipment, you may be missing out on thousands of dollars in energy savings each year. Upgrade your lighting, HVAC and other equipment and systems to earn incentives and improve comfort in your facility.

Incentives may be available for:

- LEDs
- Lighting controls
- Central air units
- Heat pumps
- Programmable thermostats
- Compressors
- Commercial kitchen equipment
- And more

Ways to Save

Custom Projects

Your business can qualify for Custom Program incentives of up to \$100,000. Custom projects can lower your energy costs, improve facility comfort and boost your bottom line. Contact us today to start the pre-approval process.

Incentives may be available for:

- Lighting projects that include a redesign
- Compressed air systems
- Energy management systems
- Building envelopes
- Air rotation units
- Data center upgrades
- Retro-commissioning
- And more

Ready to save?

Call us at 1.888.982.7071 to see if you qualify.

Ways to Save

Instant Discounts on Lighting

You don't have to fill out paperwork or wait in line to get instant discounts on energy-efficient lighting. With the Midstream Lighting Program, you can go straight to the distributor. This saves your business time, money and energy.

Instant discounts of up to \$10/bulb may be available on:

- A-shape LEDs
- LED reflectors
- LED decorative candles
- T8 reduced watt lamps
- LED retrofit trim kits
- LED wall packs
- And more
